Info:

We're excited to provide Summer Care for families needing assistance! We'll have field trips and fun activities planned every day for our students; things like movie trips, farmers markets, parks, and more! These trips will typically last until 3:00, so we ask that you come to pick up your child after that time. We're offering our service to ***Completed*** Kindergarten students through ***Completed*** 5th grade students. Lunch will be provided to all students.
